When I was a young boy in Burlington, Vermont, my dad had a good friend named Phil who owned a sporting goods store. I loved sports, so meandering the treasure-filled aisles was an unmitigated joy. One afternoon, we were shopping for a baseball glove. Dad said to me, "Hey Johnny, see that man who just walked into the store? *That's* Phil." I remember being fascinated and a little terrified. I recall thinking, "That man right there is in charge of *everything* in this store!" He reigned over every ball, sneaker, jersey, and sweatshirt. Phil became a family friend. And he was a good owner. The store flourished, and I found myself even more at peace every time I went there. I felt a new hope and even responsibility for the store to flourish.

To say that Christ is the King of the Universe means that Jesus has absolute authority *over* everything in it. It should fill us with awe and fascination. He is in charge. The world and everything in it are finally his. Knowing that he knows and loves us should make us also feel a deep peace at being a part of his universe. This leads us to want his kingdom to flourish, to play some responsible role in it.

We advance his kingdom by promoting the truth. "Everyone who is of the truth hears my voice," Christ the King proclaims. In Phil's store, it was about the truth of athletics. In our world, it's all about the truth of all creation, especially the dignity of the human person, made by and for our loving God. Let's rejoice that we know the true king and commit to the flourishing of his kingdom.
